1. The following is an examiner's statement of reasons for allowance: Claims 11 and 14 are allowable over the prior art of record because the prior art of record does not teach or suggest an image forming apparatus comprising a current measuring section measuring a current flowing through a developing member or a developer-supplying member, the current being measured in timed relation with the development of the electrostatic latent image only when the electrostatic latent image has a reference pattern (emphasis added).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

EXAMINER'S COMMENT

2. In response to the Applicant Initiated Interview Request Form filed 4/3/06, the Examiner does not grant this interview because the claims filed 4/3/06 are allowed.
